

Better experiences. Built for real spaces.

Kiosks, live token displays, survey feedback and self-ordering systems - planned and supported by MeFirst in Kerala.

Integrated Display Solutions

As a Samsung B2B partner, MeFirst pairs WoodVue kiosks with DisplayQue SignagePro, Survey, StatusBoard and POS software, plus project planning, installation and local support.

Hardware meets service.

Interactive entry points and clear, customer-facing queue information.

01 / WOODVUE KIOX + DISPLAYQUE SIGNAGEPRO

WoodVue Kiosk

A wooden kiosk with SignagePro built in for menus, promotions and information.

REFERENCE DISPLAY

55-inch portrait commercial screen in a wood-finish cabinet

REFERENCE CABINET

1800 H x 810 W x 50 D mm body; 6 mm toughened front glass

SIGNAGEPRO

Media, playlists, zones and scheduled publishing

PACKAGE

Player, speakers and rear access; touch optional

02 / DISPLAYQUE STATUSBOARD

Token System

A public display and operator workflow that show customers where their turn stands.

DISPLAY

Commercial TV or signage screen sized for waiting-area visibility

SOFTWARE

StatusBoard token, counter, service and pickup status

SYSTEM SCOPE

Player, network, mounting and counter actions planned together

OPTIONS

Audio prompts, promotions and integrations as required

Listen, then serve.

Collect feedback at a touch kiosk, then simplify how customers order and pay.

03 / DISPLAYQUE SURVEY PLATFORM

Survey Kiosk

Collect branded customer feedback at a touch kiosk and review responses in DisplayQue Survey.

REFERENCE KIOSK

Wood-finish landscape touch console on a floor stand

SOFTWARE

Branded questionnaires, ratings and response collection

TEAM VIEW

Response summaries and feedback follow-up context

PROJECT SCOPE

Display, player, network and setup confirmed per site

04 / DISPLAYQUE

POS + Self-Ordering

Let customers order on a touch-enabled WoodVue kiosk, with POS and kitchen handoff behind it.

TOUCH DEVICE

WoodVue Kiox wooden cabinet, portrait touch display and player

SOFTWARE

DisplayQue POS menu, ordering, counter and kitchen workflow

OPTIONS

Payment terminal, printer and integrations assessed per site

DELIVERY

Finish, screen size, installation and handover confirmed in quote
